

SCOUT MINI

| Speed 20km/h

| 4-WD Steering

| Secondary Development

| Independent Suspension

SCOUT MINI is a member of the SCOUT mobile robot family and inherits the advantages of SCOUT — 4WD, independent suspension, and in-place self-rotation.

AgileX Robotics has introduced camera accessories and panoramic camera accessories which are adapted to SCOUT MINI, so that the SCOUT MINI can meet the application of various kinds of terrains and scenarios with high mobility required, such as patrolling, photographing and exploration.
